DRAFT REVISIONS

Strategic considerations and objectives

1. The purpose of the International Fund for Cultural Diversity (IFCD) is to finance projects and activities approved by the Intergovernmental Committee (herein after “the Committee”) on the basis of guidelines determined by the Conference of Parties, notably to facilitate international cooperation for sustainable development and poverty reduction to foster the emergence of dynamic cultural sectors in developing countries\(^1\), in accordance with Article 14 of the Convention (Article 3 of the Financial Regulations of the IFCD).

2. The main objective of the IFCD is to invest in projects that lead to structural change through the introduction and/or elaboration of policies and strategies that have a direct effect on the creation, production, distribution of and access to a diversity of cultural expressions, including cultural goods, services and activities, as well as through the reinforcement of institutional infrastructures deemed necessary to support viable cultural industries at the local and regional levels.

3. IFCD projects demonstrate the value and opportunities that the cultural industries bring to sustainable development processes, in particular to economic growth and the promotion of a decent quality of life.

4. The IFCD is managed as a Special Account pursuant to Article 1.1 of its Financial Regulations and, given its multi-donor nature, cannot receive tied or earmarked contributions.

5. Use of the IFCD’s resources must be consistent with the spirit and provisions of the Convention. Pursuant to Article 18.3(a) and 18.7, Parties shall endeavour to provide voluntary contributions on an annual basis. The Committee encourages Parties to provide contributions on an annual basis, the amount being at least equal to 1% of their contribution to the UNESCO budget. The resources of the IFCD will be used to fund projects in developing countries. Public development aid which is not tied may be used to fund the activities of the IFCD for projects approved by the Committee in accordance with the provisions governing UNESCO Special Accounts.

6. In managing the IFCD, the Committee shall ensure that the use of the resources:

6.1 meets the programmatic and strategic priorities established by the Committee;

6.2 meets the needs and priorities of beneficiary developing countries;

6.3 promotes South-South and North-South-South cooperation;

\(^1\) Parties to the UNESCO 2005 Convention on the Protection and the Promotion of the Diversity of Cultural Expressions that are recognized by UNCTAD as developing economies, economies in transition and least developed countries.
6.4 contributes to achieving concrete and sustainable results as well as structural impacts in the cultural field;

6.5 respects the principle of ownership by the beneficiaries;

6.6 respects, to the extent possible, an equitable geographic distribution of the resources of the IFCD and gives priority to Parties who have not yet benefited or who have benefited the least from these resources;

6.7 satisfies the principle of financial accountability, as understood within the United Nations system;

6.8 satisfies the need for funds to be spent principally on project activities and ensuring minimum overhead costs as referred to in paragraph 15.7;

6.9 avoids spreading resources too thinly or supporting sporadic activities;

6.10 promotes gender equality;

6.11 promotes the participation of various social groups as identified in Article 7 of the Convention in the creation, production, dissemination, distribution and enjoyment of diverse cultural expressions;

6.12 complements other international funds covering similar fields without, however, compromising the IFCD’s possibility to provide funding to projects that have already received or could receive financial assistance from a third party.

Areas of intervention

7. Funds will be allocated:

7.1 For projects that:

7.1.1 introduce and/or develop policies and strategies that have a direct effect on the creation, production, distribution, and access to a diversity of cultural goods, services and activities;

7.1.2 strengthen corresponding institutional infrastructure, including professional capacities and organizational structures, deemed necessary to support viable local and regional cultural industries and markets in developing countries;

7.2 For assistance for participation, within the limits of funding decided by the Committee. This assistance may cover:

7.2.1 the cost of participation of public or private organizations or individuals from developing countries invited by the Committee to its meetings for consultation on specific issues in conformity with Article 23.7 of the Convention;

7.2.2 the cost of participation at the meetings of the organs of the Convention by government experts from least-developed countries that are members of the Committee, upon their request. Requests must reach the Secretariat of the Convention at least two months before each session of the Committee or of the Conference of Parties;

2 Institutional infrastructure is to be understood as any public, collective and professional organizational structures (excluding working space and equipment, physical construction or restoration of buildings), capacities as well as legislative (legal) and administrative provisions deemed necessary for the implementation of policies.
7.3 For the evaluation of projects by the Panel of Experts, to be constituted by the Committee, before their submission for examination to the Committee. Funds could also be allocated for a meeting between the Secretariat and the members of the Panel of Experts every two years in Paris.

8. Projects aimed at offsetting a deficit, repaying a debt or paying interest, relating solely to the production of cultural expressions or sustaining ongoing activities with recurring costs, will not be eligible for assistance from the IFCD.

9. At each session, on the basis of the funds available in the Special Account, the Committee will adopt a budget for each of the above-mentioned types of assistance.

Draft Operational Guidelines on the use of the emblem of the Convention on the Protection and Promotion of the Diversity of Cultural Expressions

I. General Considerations

1. In order to increase the visibility and encourage the promotion of the Convention at the national, regional and international levels, the Parties to the Convention deem necessary to create an emblem encapsulating its objectives and principles.

2. The emblem of the Convention is a graphic representation, visually exploring the relationships, concepts and ideas of the Convention and their interactions with one another.

3. The emblem of the Convention can be used independently as a stand-alone emblem (hereinafter “stand-alone emblem”) or be used together with the UNESCO logo (hereinafter “linked emblem”).

4. The use of the stand-alone emblem is governed by the provisions stipulated in the present Guidelines.

5. The use of the linked emblem is governed both by the present Guidelines and by the Directives concerning the Use of the Name, Acronym, Logo and Internet Domain Names of UNESCO, as adopted by the General Conference of UNESCO. The use of the linked emblem must therefore be authorized both under the present Guidelines and under the Directives concerning the Use of the Name, Acronym, Logo and Internet Domain Names of UNESCO (for the part of the UNESCO logo) in accordance with the procedures provided in their respective Guidelines.

II. Graphic design of stand-alone and linked emblems

6. The stand-alone emblem, which is used as the official seal of the Convention, is shown below:

Insert the stand-alone emblem here

7. The linked emblem is shown below:

III. Rights of use of the emblem

8. The following have the right to use the stand-alone emblem without prior authorization, subject to the rules set out by the present Guidelines:

(a) the statutory organs of the Convention:
   i) the Conference of Parties;

---

1 The most recent version of the Directives concerning the Use of the Name, Acronym, Logo and Internet Domain Names of UNESCO is found in the annex to Resolution 86 of the 34th session of the General Conference (Resolution 34C/86) or at http://unesdoc.unesco.org/images/0015/001560/156046e.pdf.
ii) the Intergovernmental Committee for the Protection and the Promotion of the Diversity of Cultural Expressions (hereinafter “Committee”); and
(b) the UNESCO Secretariat of the 2005 Convention (hereinafter “Secretariat”).

9. All others desiring the right to use the emblem must request and receive authorization pursuant to the procedures set forth below.

IV. Graphical standards

10. Both the stand-alone and linked emblems can be used in the six official languages of UNESCO. They shall be reproduced according to the specific graphical charter and a Brand Tool Kit elaborated by the Secretariat and published on the Convention’s website and shall not be altered.

11. Use of languages other than those six official languages of UNESCO in the stand-alone and linked emblems must be approved by UNESCO, prior to their use.

V. Authorization procedure for use of the stand-alone emblem

12. Authorizing the use of the stand-alone emblem is the prerogative of the Conference of Parties and/or the Committee, and the authorization may be granted by either one.

13. The Conference of Parties and the Committee authorize the use of the stand-alone emblem by means of resolutions and decisions that will stipulate the terms of the authorization granted, in accordance with the present Guidelines.

14. The decision authorizing the use of the stand-alone emblem shall be evaluated based on the following criteria:

   (a) relevance to and compliance with the Convention’s principles and objectives;

   (b) potential impact to raise visibility and awareness of the Convention and the diversity of cultural expressions; and

   (c) adequate assurance is provided to demonstrate the successful organization of a proposed activity, including the professional experience and reputation of the requesting body, and the financial and technical feasibility of the proposed activity.

15. Requests for the use of the stand-alone emblem can be submitted at any time for activities such as one-off activities that are international, regional, national and/or local in scope, that present a large diversity of cultural expressions and that involve artists, cultural producers, policy makers and/or civil society. These activities may include performances, exhibitions, audio-visual productions or publications (printed or electronic), or public events such as conferences or meetings and festivals and trade fairs for example in the film, book or music sectors.

16. The following steps are required to request the use of the stand-alone emblem:

   (a) Step 1: For national, regional as well as international activities, a requester must fill in a “Request Form” on the use of the stand-alone emblem and submit it to National Commissions for UNESCO of the Party or Parties, or other national authorities duly designated by respective Parties, in whose territory the planned activities are to be held.

   (b) Step 2: The National Commissions or designated national authority will undertake a review to decide whether they support or do not support the request and forward to the Secretariat those requests they recommend, using an “Endorsement Form”.

   (c) Step 3: Those requests forwarded to the Secretariat by 31 August, midnight CET, of each year will be submitted to the Committee at its session taking place in
December of the same year for its consideration and decision. Additionally, every other year, requests forwarded to the Secretariat by 1 March, midnight CET, can be considered by the Conference of Parties at its session taking place in June of the same year for its consideration and approval.

(d) Step 4: Upon deliberation by the Conference of Parties or the Committee, a resolution or a decision to grant or not the use of the stand-alone emblem will be communicated to the requester by an official letter from the Secretariat.

(e) Step 5: Those requesters who received positive replies by the Conference of Parties or the Committee will receive from the Secretariat the appropriate electronic file with the stand-alone emblem and a Brand Tool Kit.

VI. Authorization of the linked emblem

17. The Director-General is empowered to authorize the use of the linked emblem in connection with patronage and contractual arrangements as well as specific promotional activities.

18. **Patronage** may be given as UNESCO’s moral endorsement of an activity for which the Organization is not directly involved, is not providing financial support, or cannot be held legally responsible. Patronage is limited in time and can be granted to one-off activities that are international, regional and national in scope and that present a large diversity of cultural expressions and that involve artists, cultural producers, policy makers and/or civil society. These activities may include performances, exhibitions, cultural industry festivals and trade fairs for example in the film, book or music sectors. Patronage may also be granted for one-off audio-visual productions or publications (printed or electronic), or public events such as conferences or meetings.

19. Request for the use of the linked emblem for the purpose of patronage must be submitted to the Director-General of UNESCO along with an endorsement of National Commissions for UNESCO of the Party or Parties, or other national authorities duly designated by respective Parties, in whose territory the planned activities are to be held.

20. **Projects receiving support from the International Fund for Cultural Diversity** (hereinafter “IFCD-funded projects”) are those that are approved by the Committee for IFCD funding.

21. After the approval of the Committee of the IFCD-funded projects, it is only through signing of the “Intergovernmental Body Allocation Contract” with UNESCO that the linked emblem can be used in the framework of the implementation of the IFCD-funded projects according to conditions of use stipulated in the contract.

22. **Partnership agreements** are negotiated between UNESCO and partners such as public sector institutions, private sector or civil society to carry out defined activities that advance the objectives and principles of the Convention and its implementation on the international, regional, national and/or local levels.

23. Use of the linked emblem within partnership agreements shall be authorized by the UNESCO Secretariat.

24. **Fundraising activities** encompass activities undertaken by Convention stakeholders (public, private and civil society) whose sole objective is to raise donations for the IFCD.

25. Use of the linked emblem for fundraising activities shall be authorized by the UNESCO Secretariat.

26. **Commercial use** is the sale of goods or services bearing the name, acronym, logo or internet domain names of UNESCO chiefly for profit.
Annex

27. Requests for commercial use of the linked emblem including those received by National Commissions or other national authorities duly designated shall be sent to the Director-General of UNESCO for written approval.

VII. Donation to the IFCD through the commercial use of the emblem

28. When profit is generated through commercial use of the emblem, the contribution of a percentage of the profit to the IFCD is obligatory.

29. Contributions to the IFCD shall be governed in accordance with the Financial Regulations of the Special Account for the IFCD.

VIII. Protection

30. To the extent that the name, acronym and logo of UNESCO have been notified and accepted by the Paris Union Member States under Article 6ter of the Paris Convention for the Protection of Industrial Property, adopted in 1883 and revised at Stockholm in 1967, and to the extent that the emblem of the Convention [has been submitted] to the International Bureau of the World Intellectual Property Organization (WIPO) and [has been notified and accepted] by the Paris Union Member States under Article 6ter of the Paris Convention for the Protection of Industrial Property, adopted in 1883 and revised at Stockholm in 1967, UNESCO has recourse to the Paris Convention Member States' domestic systems to prevent the emblem of the Convention and the name, acronym or logo of UNESCO from being used where such use falsely suggests a connection with the Convention or UNESCO, or any other abusive use.

31. The Parties are invited to submit to UNESCO the names and addresses of the authorities in charge of managing the use of the emblem.

32. In specific cases, the statutory organs of the Convention may request the Director-General of UNESCO to monitor the proper use of the emblem of the Convention and to initiate proceedings, where appropriate, in case of abusive use.

33. The Director-General of UNESCO is responsible for instituting proceedings in the event of unauthorized use of the emblem of the Convention at the international level. Parties to the Convention should take all possible measures to prevent the use of the emblem in their respective countries by any group or for any purpose not explicitly recognized by the Statutory Bodies of the Convention.

34. The Secretariat and the Parties cooperate closely in order to prevent, in conjunction with competent national bodies and in line with the present Guidelines, any unauthorized use of the emblem of the Convention at the national level.
