# Extra Curricular Approach

- Peer Educators Trained and continuously mentored by trained teachers
- Peer Educators reach their peers with factual information on ASRH
- In structured projects, peer educators have a cohort which they reach and follow up
- Peer Educators refer peers to trained teachers or service providers in facilities

**Spotlight  
Initiative**  
*To eliminate violence  
against women and girls*

*Initiated by the European Union and the United Nations:*

SPOTLIGHT  
END VIOLENCE  
AGAINST WOMEN AND

# Family Life and Emerging Health Issues

- Delivered as a General Studies Course in Colleges of Education
- Most Tertiary institutions now have FLEHI taught though as different names
