

Agenda

First convocation of the Knowledge and Innovation Network

Date: 20 November 2024, 17:00 to 19:00 CET.

Venue: Online - [Join the meeting here](#)

Main objectives

1. **Establish a shared understanding of KIN:** Introduce KIN, its strategic relevance to UNESCO's sport work, and the terms of engagement, ensuring all members are aligned on purpose and expectations.
2. **Review and discuss key deliverables:** Present and discuss major KIN outputs, such as the list of KIN contributors, Global indicators framework and knowledge products, fostering collaboration and input.
3. **Define next steps and facilitate open discussion:** Outline the next steps for KIN, engage in open discussion to gather feedback, and set a clear path forward for continued momentum and member engagement.
