In order to be included on the International List of Cultural Property under Enhanced Protection a cultural property must fulfil the three conditions outlined in Article 10 of the 1999 Second Protocol to the Hague Convention of 1954 for the Protection of Cultural Property in the Event of Armed Conflict. The condition outlined in paragraph (b) of this provision requires the relevant national authorities of the Party in question to adopt a series of measures. These measures must acknowledge the exceptional cultural and historic value of the cultural property and guarantee it the highest level of protection.

The present checklist primarily serves as a practical tool. It is intended to assist the Parties responsible for preparing requests for the granting of enhanced protection to ensure that all of the measures outlined in this respect by the Second Protocol and the corresponding Guidelines have been adopted. This being the case, the checklist is not part of the request formally submitted by a State Party applying for the granting of enhanced protection.
