

Preliminary Report on the first draft of the UNESCO Recommendation on Open Science and First draft of the Recommendation on Open Science - UAE National Commission for Education, Culture, and Science

Dear Sir/Madam,

Our very best wishes this 2021 and We send you warm greetings from the United Arab Emirates National Commission for Education, Culture and Science.

Thank you for your email and we apologies for the delayed. We are pleased to provide you with the comments below on the first draft of the UNESCO Recommendation on Open Science:

- The report is well written, organized, and comprehensive.
- We recommend to add in the permeable section the different UNESECO activities and programs that related to open Science.
- We recommend to refer to the important of Open Science in supporting SDGs goals.
- It is important for all members states to develop the policies and procedures associated with Open Science to protect different parties and IPs.

We deeply appreciate your patience and understanding with this matter
Thank you again,
UAE National Commission for Education, Culture and Science
