

The Global Alliance for Media and Gender (GAMAG) is a global movement to promote gender equality in and through media. The GAMAG Framework and Plan of Action writes GAMAG's objectives as below:

 To pursue gender equality in media systems, structures and content by strengthening international, regional and national cooperation in which all stakeholders work together to drive change globally

 To follow-up, build on and systematically monitor implementation of the Beijing Declaration and Platform for Action: 'Women and the Media Diagnosis', and its strategic objectives

 To develop and sustain gender and media priorities within a broad donor, government and development agency funding framework.
