1. Accessing the Platform
If a UNESCO National Commission or Permanent Delegation to UNESCO wishes that the form be completed electronically by the nominee they have selected, UNESCO will provide the candidate with access to the platform upon request.

A request should be sent to GWEPrize@unesco.org by the National Commission or Permanent Delegation before 16 May 2022. Please note that the candidate’s email address must be associated with a Microsoft account. If the candidate does not have a Microsoft account, please follow the instructions here.

After the Secretariat grants access, an automated invitation email will be sent from no-reply@sharepointonline.com to the candidate’s email address.

When the nominee first logs in to the platform, please log in from the invitation link using his/her registered email address.

Please note that, when opening the invitation link, no other account should be active in the browser.

1. Accessing the Platform
Once you are logged in, you will be directed to the Home Menu. Click on “Submission Form” to start a nomination.

You can create additional nominations by clicking on “Submission Form” in the left menu. Please note that each UNESCO Member State can only submit up to 3 nominations for each edition of the Prize.

2. Starting a nomination
The nomination form is made up of a number of fields broken down into 4 chapters:

- **Candidate**: For all background information on the nominated organization or individual
- **Project**: For all background information on the project on which the nomination focuses
- **Supporting Material**: For websites, action plans, publications, videos, or other material to support the nomination
- **“Submission”**: To transfer the nomination to the National Commission (by candidates) or to the Permanent Delegation (by National Commissions), and to submit the nomination to UNESCO (by Delegations)

You can save your entry at the very bottom of the page, once all mandatory fields marked with an asterisk (*) have been completed. Tip: To save an incomplete draft, make sure to put at least one letter in each answer box with an asterisk.

Your nomination will be saved under “My Submissions” where you can continue to work on it at a later stage.

Please click for details on requirements for some items.

3. Completing a nomination
You have two possibilities to add supporting material:

1) Under “Supporting Links”, you can add web links to any online material such as action plans, publications, videos, websites, evaluations, reviews or other documents outlining results and impact, etc.

2) For any material not available online, you can click on the “Attach File” button in the top left corner of the form (tab “EDIT”).

Click on “Browse” and select the document from your computer, then click “OK”.

The attached file will now appear on the bottom of the form.

Please note that the maximum size per attachment is 350 MB.
