2. Logging in
Once you are logged in, you will be directed to the Home Menu. Click on “Submit nomination” to start a nomination.

You can create additional nominations by clicking on “New nomination” in the left menu. Please note that each NGO in official partnership can only submit up to 3 nominations for each edition of the Prize.

3. Starting a nomination
The nomination form is made up of a number of fields broken down into 4 chapters:

- **Nominee**: For all background information on the nominated organization or individual
- **Project**: For all background information on the project or programme on which the nomination focuses
- **Supporting Material**: For websites, action plans, publications, videos, or other material to support the nomination
- **“Submission”**: To transfer the nomination to the National Commission (by nominees) or to the Permanent Delegation (by National Commissions), and to submit the nomination to UNESCO (by Delegations)

You can **save** your entry at the very bottom of the page, once all mandatory fields marked with an asterisk (*) have been completed.

Your nomination will be saved under “**My nominations**” where you can continue to work on it at a later stage.

4. Completing a nomination
You have two possibilities to add supporting material:

1) Under “SUPPORTING MATERIAL”, you can add web links to any online material such as websites, action plans, publications, videos, etc.

2) For any material not available online, you can click on the “Attach File” button in the top left corner of the form (tab “EDIT”).

Click on “Browse” and select the document from your computer, then click “OK”.

The attached file will now appear on the bottom of the form.

Please note that the maximum size per attachment is 350 MB.

5. Adding an attachment
6. Submitting a nomination

Once you have completed all fields, go to the “SUBMISSION” chapter and, under “Nominating entity”, choose “NGO” (and NOT the country you are based in).

Type in the name of your NGO and complete the other necessary fields.

In order to submit the nomination to UNESCO, tick the “Submit nomination to UNESCO” box and click on “SAVE” in the bottom right corner.

Please note that once you have ticked this box and saved the form, you will no longer be able to edit it.

You will receive an automatic notification e-mail indicating that your nomination has been submitted (at the address with which you have registered your account).
At any given time, clicking on “My nominations” in the left hand menu will show you all saved and/or submitted nominations:
