<sup>33</sup> The former Socialist Federal Republic of Yugoslavia became a Member State on 31 March 1950. The participation of Yugoslavia in meetings of governing bodies and conferences of UNESCO was suspended following Resolution 47/1 adopted by the General Assembly of the United Nations on 22 September 1992, which stated that the Federal Republic of Yugoslavia (Serbia and Montenegro) could not continue automatically the membership of the former Socialist Federal Republic of Yugoslavia (SFRY). Accordingly, the Federal Republic of Yugoslavia, which became a Member State on 20 December 2000, could not automatically succeed the former SFRY as a member of the Organization. Following the adoption of the Constitutional Charter of Serbia and Montenegro by the Assembly of the Federal Republic of Yugoslavia on 4 February 2003, the name of the State of the Federal Republic of Yugoslavia has been changed to 'Serbia and Montenegro'. Further to the Declaration of Independence adopted by the National Assembly of Montenegro on 3 June 2006, UNESCO has been informed that the membership of the State Union Serbia and Montenegro in UNESCO is continued by the Republic of Serbia on the basis of Article 60 of the Constitutional Charter of Serbia and Montenegro.
