

ACP-EU Culture Programme - Caribbean

Creative Caribbean – An Ecosystem of “Play” for Growth and Development

Call for CCI Development Grant Applications Industry Grant (Round 1)

Creative Caribbean is a new grant facility for the cultural and creative sector in 15 countries in the Caribbean. This regional support programme is part of the ACP-EU Culture Programme financed by the 11th European Development Fund and implemented globally by the Organization of African, Caribbean and Pacific (ACP) States. In the Caribbean region, the project is being implemented by UNESCO Cluster Office for the Caribbean, The University of the West Indies and the CARICOM Secretariat.

This funding will help successful applicants develop projects and initiatives to grow more globally competitive businesses, strengthen the enabling environment that supports the sector in relation to policy, planning, incentives and legislation and facilitate increased training and capacity building. It is anticipated that the funding will enable established creatives to scale their operations and assist export ready creatives to expand into new markets, including strengthening capacity to access and use digital marketing and distribution platforms.

Evaluation of Applications

Applications will be examined and evaluated by a panel of independent, industry specific expert assessors. All fully completed and submitted applications made to the online application system before the deadline will receive written notification of decisions made about their submission. All applications will be assessed following the steps listed below:

Stage 1 – Eligibility Assessment: This is a simple check to ensure the application meets the eligibility criteria and that all required documents have been completed and submitted. Only complete applications that meet the criteria will move to the next stage.

Stage 2: Shortlisting & Due Diligence: A shortlist will be developed based on the eligibility assessment. However, to better understand the status of the organisation and its operations as well as the viability and sustainability of the proposed project, a due diligence check will be done. Shortlisted applicants will advance to the next stage.

Stage 3: Project Evaluation: An Expert panel will be convened to evaluate the proposals and make recommendations for the award of grants to the Project Steering Committee. The Steering Committee will then select the successful recipient/s.

Stage 4: Contracting: Successful applicants are invited to discuss project milestones, monitoring & evaluation, reporting, grant disbursements, and contracting. Once the contract is signed, fund disbursement and project implementation can begin.
