Dear Sir/Madam,

UNESCO’s leadership has been monitoring the spread of the coronavirus (covid-19) as well as UN and host country responses aimed at minimizing its spread and impact.

Due to the rapidly evolving health crisis and the unique circumstances we are facing, we regret to inform you that UNESCO has decided to postpone the Mobile Learning Week 2020 on Artificial Intelligence and Inclusion, planned for 2-6 March at the UNESCO House in Paris. As the situation remains uncertain, new dates will be announced in the coming months.

The decision was made by UNESCO as a precaution for all participants’ safety and security. We apologize for any inconvenience.

Should you have any questions, please do not hesitate to contact us at: mlw@unesco.org. Apologies if you have received this message more than once.

Best regards,
UNESCO Mobile Learning Week team
