Country of Destination: Zimbabwe

Reference Number: HAR/DIR/2022/ITB00001

Description: Our Rights, Our Lives, Our Future Plus (O³PLUS) health facility refurbishment

Deadline for Submission of Tenders: 6 August 2022 at 23:59 Harare time

Posting Date: 30 June 2022

You are invited to submit a bid for the renovation of 12 health facilities in selected Higher and Tertiary Education Institutions in Zimbabwe.

DESCRIPTION OF ASSIGNMENT
UNESCO is implementing the Our Rights, Our Lives, Our Future Plus (O³ Plus), a project that aims to ensure that young people in higher and tertiary education institutions (HTEIs) in Zimbabwe realize positive health, education, and gender equality outcomes. The project will support the renovation and upgrading of 12 campus health facilities to offer a standard package of youth friendly sexual and reproductive health services to students. All the health facilities in the project require some renovations and modernising to be more appealing to their key target constituencies, students in higher and tertiary education.

SCOPE OF WORKS
Companies may bid for one or more institution(s), demonstrating their capacity to undertake them simultaneously or complete them within the stipulated project timeframe.

The work entails the following tasks listed according to the institutions

**a. Danhiko Industrial College Clinic, Harare**
- Renovation of the roof and the rainwater disposal facilities
- Carpentry work which involves the renovation of the ceiling and replacement of interior doors
- Installation of a two lever mortice lockset, towel rails (according to institution specifics) and supporting rails (according to institution specifics)
- Plastering of the building walls
- Finishes, including painting services, tiling of the floors and glazing
- Plumbing works to the clinic ablution facilities
- Erecting/provide branding and directional signs at the main entrance, outside and inside the clinic to direct clients (as relevant).

**b. Harare Institute of Technology Clinic, Harare**
- Plastering and painting of the health centre
- Tiling and paving of the facility
- Erection of the waiting area shed according to the institution’s design
- Supply and installation of 2 x 5000 litre water tanks and related plumbing works
- Erecting/provide branding and directional signs at the main entrance, outside and inside the clinic to direct clients (as relevant).
c. **University of Zimbabwe Clinic, Harare**
   i. Provide carpentry and joinery services
   ii. Erection of the entrance shed according to the institution’s design
   iii. Fix and supply shelves, cupboards, lockers and hooks
