STEPCam is a comprehensive Teacher Education Programme, focusing on 4 key components:

COMPONENT 1
A new Continuous Professional Development (CPD) system, supporting teachers in their professional growth. Better teachers for a better future!

COMPONENT 2
INSET (In-Service) Training for teachers of early grade Math and Khmer Reading: new teaching techniques, mentoring and a new student-centered approach, fostering inquisitive mind and active participation!

COMPONENT 3
Upgrading the skills of trainers, allowing them to grow into their role with new engaging methodologies, to best support teachers using a peer-to-peer approach.

COMPONENT 4
Upgraded facilities at Provincial Teacher Training Centers (PTTCs), creating a better learning environment for students, and allowing teachers to excell at their job!
