**4. What experience or views do you have of indicators relating to the Internet which are concerned with gender and with children and young people?**

**5. How do you think you might use the indicator framework for Internet Universality once it has been developed?**

**6. How do you think that other stakeholders might use the framework?**

**7. Please add any other comments that you think will be helpful to UNESCO in developing the indicators framework.**

We need to think about how the Internet is influencing wellbeing. Topics to be considered: online harassment, gender inequality online, addiction and the hijacking of attention by persuasive technologies

**8. Please upload any documents that you think will be helpful here.**

Please indicate here if you do NOT want your contribution to be published on the UNESCO Internet Universality Indicators consultation platform.
