Submission # 64

Name: Dr. Günther Cyranek

Organization: Consultant

Country/Region: Germany

How would you define the stakeholder community or communities to which you belong?
Individual capacity

Are there any suggestions that you wish to make in respect of the proposed themes, questions and indicators which are included in the framework as it stands?

Related to crosscutting themes, in my opinion the indicators B5 and C6 regarding school connectivity are overlapping.
Regarding Category O - Openness Theme E Open Data: If it is about privacy rights it should be related to informational self-determination
