

Submission # 2

Name:Ma Dawei

Organization:Kongxi

Country/Region:Cuba

How would you define the stakeholder community or communities to which you belong?

Private sector

Are there any suggestions that you wish to make in respect of the proposed themes, questions and indicators which are included in the framework as it stands?

No, me parece muy completo el marco propuesto.

Are there any suggestions that you wish to make in respect of the proposed themes, questions and indicators which are included in the framework as it stands?

Presentar una descripción metodológica de los indicadores con mayor detalle que permita la captación de la información requerida sin riesgos de malas interpretaciones.

What sources and means of verification would you recommend, from your experience, in relation to any of the questions and indicators that have been proposed?

La fuente oficial de información del gobierno en particular.
