Submission # 12

Name: Patricia Morales

Organization: Universidad de Lovaina

Country/Region: Belgium

How would you define the stakeholder community or communities to which you belong?
Academic

Are there any suggestions that you wish to make in respect of the proposed themes, questions and indicators which are included in the framework as it stands?

sobre "noticias falsas" y penalización correspondiente;

Are there any suggestions that you wish to make in respect of the proposed themes, questions and indicators which are included in the framework as it stands?

indicadores sobre la calidad de la información

What sources and means of verification would you recommend, from your experience, in relation to any of the questions and indicators that have been proposed?

es un tema complejo, dependiendo de cada país.
Un sistema como el de Wikipedia y similares es recomendable y mejorable a través de mayor participación de mujeres, etc
